GENERAL PROVISIONS

Entire Group Contract; Changes: The master group insurance Policy, the application of the Policyholder, if any, and the individual applications, if any, of the persons eligible for coverage, constitute(s) the entire contract between the parties, and any statement made by the Policyholder, or by any individual eligible for coverage under the Policy, shall, in the absence of fraud, be deemed a representation and not a warranty.

No such statement shall void the insurance or reduce the benefits under the Policy or be used in defense to a claim hereunder unless it is contained in a written application.

No change in the Policy shall be valid unless approved by an executive officer of Ours and unless such approval be endorsed thereon or attached thereto. No agent has authority to change the Policy or to waive any of its provisions.

Time Limit on Certain Defenses: No claim for loss incurred or commencing after two years from the effective date of the insurance coverage with respect to which the claim is made shall be reduced or denied on the ground that a disease or physical condition, not excluded from coverage by name or specific description effective on the date of loss, had existed prior to the effective date of the coverage with respect to which the claim is made.

Notice of Claim: Written notice of claim must be given to Us within 30 days of the date of death or the date injury occurred, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to Us at the administrative address shown on the face page of this Certificate, with information sufficient to identify the Covered Person (i.e. name, the Policyholder's name and the Policy number) shall be deemed notice to Us.

Claim Forms: We, upon receipt of a written notice of claim, will furnish to the claimant such forms as are usually furnished by Us for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice, the claimant shall be deemed to have complied with the requirements for the Policy as to proof of loss upon submitting, within the time fixed in the Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Proofs of Loss: Written proof of loss must be furnished to Us, in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss, within 90 days after the termination of the period for which We are liable, and in case of claim for any other loss, within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the Member, later than one year from the time proof is otherwise required.

Time of Payment of Claim: Indemnities payable under the Policy for any loss other than loss for which this policy provides periodic payments will be paid to the Covered Person as they accrue immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnity for loss for which this policy provides periodic payment will be paid to the Covered Person monthly and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

Payment of Claims:

Dependent Life Benefits will be paid to:

1. the Covered Person, if living;
2. the legal Spouse of the Covered Person, if the Covered Person is not living; or
3. the estate of the Dependent, if the legal Spouse of the Covered Person is not living.

GENERAL PROVISIONS (continued)

Indemnity for loss of a Member's life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the Covered Person's estate. Any other accrued indemnities unpaid at death may, at Our option, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the Covered Person.

If any indemnity of this policy shall be payable to a Covered Person's estate, or to any person or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1,000 to the Covered Person's or the beneficiary's relative by blood or connection by marriage who is deemed by Us to be equitably entitled thereto. Any payment made by Us in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

Physical Examinations: We, at Our own expense, shall have the right and opportunity to examine the person of any individual whose injury or sickness is the basis of claim when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death, where it is not forbidden by law.

Legal Action: No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Misstatement of Age: If a Covered Person's age has been misstated, the amount payable shall be such as the premium paid for coverage would have purchased at the correct age.

Policy Cancellation: After the Policy has been in force for 12 consecutive months, We may cancel this Policy at any time by written notice delivered to the Policyholder, or mailed to its last address as shown on Our records, stating when, not less than 31 days thereafter, such cancellation shall be effective; and the Policyholder may cancel this Policy at any time by written notice delivered or mailed to Us, effective on receipt or on such later date as may be specified in the notice. In the event of such cancellation by either Us or the Policyholder, We shall promptly return on a pro-rata basis the unearned premium paid, if any, and the Policyholder shall promptly pay on a prorata basis the earned premium which has not been paid. Such cancellation shall be without prejudice to any claim originating prior to the effective date of such cancellation.

We may cancel or offer to modify the Policy for any reason, including the Policyholder's failure to perform any of its obligations that relate to the Policy; the Policyholder does not provide Us with information that We need to administer the Policy.

Discretionary Authority: When making a benefit determination under the Policy, We have discretionary authority to determine eligibility, if applicable, for benefits and to interpret the terms and provisions of the Policy. This provision does not prevent the bringing of a legal action under the Legal Action provision, nor does it serve to deprive any insurance department of its statutory rights and obligations.

GENERAL PROVISIONS (continued)

Fraud: We will focus on all means necessary to support fraud detection, investigation, and prosecution. It may be a crime if a Covered Person or the Policyholder knowingly, and with intent to injure, defraud or deceive Us, files a claim containing any false, incomplete, or misleading information. These actions, as well as submission of false information, will result in denial of the claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. We will pursue all appropriate legal remedies in the event of insurance fraud.

Incontestability: We may not contest the validity of the Policy, except for the non-payment of premiums or fraudulent misrepresentations, after it has been in force for two years from its date of issue. No statement made by any Covered Person relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person's lifetime, nor unless it is contained in a written instrument signed by him. This clause will not affect Our right to contest claims made for accidental death or accidental dismemberment benefits.

1. on the Premium Due Date of any premium which remains unpaid at the end of the Grace Period.
2. the date the Policyholder terminates its participation under the Policy. The Policyholder must give 31 days advance written notice to Us.
3. the date on which the Policyholder fails to comply with or intentionally makes material misrepresentation relating to the Policy.

We reserve the right to terminate insurance under the Policy on the date that the number of Covered Persons insured under the Policyholder decreases to less than:

1. 75% of all eligible Members of a Policyholder, if the Policyholder contributes partially towards the cost of insurance;
2. 100% of all eligible Members of a Policyholder, if the Policyholder contributes in whole towards the cost of insurance; or

LIFE INSURANCE BENEFIT FOR COVERED PERSON

Death Benefits: We will pay the Covered Person's beneficiary the amount of insurance in force on the date of death when We receive satisfactory proof of a Covered Person's death. The benefit will be paid in accordance with the Payment of Claims provision.

Assignment: Life insurance as provided by the Policy may be assigned as an absolute assignment only. In making an assignment, the Covered Person must transfer all his present and future ownership rights to the person to whom he assigned the insurance. This includes the right to change the beneficiary and to convert the insurance. The Covered Person may not make a collateral or partial assignment of his insurance.

Beneficiary: The Covered Person's beneficiary will be the person(s) he names in writing to receive any amount of insurance payable due to his death.

The Covered Person may name or change a beneficiary by giving Us written notice at Our Home Office on a form acceptable to Us. When We receive the notice, it will be effective on the date made, subject to any payment We may have made before We receive it.

If the Covered Person names more than one beneficiary, those who survive will share equally unless the Covered Person specifies otherwise.

Settlement Options: Instead of a single payment, the Covered Person may choose to have all or part of the insurance paid under one of the settlement options We have available. We will give the Covered Person full information about the options upon request.

If the Covered Person has chosen an option, no one may change it unless the Covered Person consents in writing. The Covered Person's beneficiary may choose an option within 60 days after death if one has not been chosen.

Conversion Privilege: The Covered Person may convert:

1. all or part of his Life Insurance to an individual policy of life insurance, other than term insurance, if his insurance terminated because he ceases to be a member of a class eligible for insurance;
2. the amount of insurance to an individual policy of life insurance, other than term insurance, that is lost due to a reduction of insurance because of age;
3. a limited amount of insurance to an individual policy of life insurance, other than term insurance, if he has been continuously insured under the Policy (or the policy it replaced) for five years and the insurance terminated due to termination or amendment of the Policy. The amount the Covered Person may convert in this case is the smaller of the following:
 - a. the amount of Life Insurance which terminates, less the amount he became eligible for under any Policy within 31 days after this insurance terminated; or
 - b. \$10,000.

The Covered Person may convert to any policy, other than term insurance, We are issuing for the purpose of conversions. The conversion policy will not have disability or other supplementary benefits. No evidence of insurability will be required. The Covered Person must submit a written application and the first premium payment for the conversion policy to Our Home Office within 31 days after his insurance terminates. It is the Covered Person's responsibility to pay the premiums for the conversion policy. The premium will be based on the amount and the form of the conversion policy, and on his class of risk and age on the date the conversion takes effect.

LIFE INSURANCE BENEFIT FOR COVERED PERSON (continued)

If the Covered Person dies within the 31 days allowed for making application to convert, We will pay the amount he was entitled to convert. We will do this whether or not application was made.

The conversion policy will take effect on the later of:

1. suicide occurring within 24 months after the Covered Person's initial Effective Date of insurance; or
2. suicide occurring within 24 months after the Effective Date of any increase or additional insurance.

If while insured under the Policy, the Covered Person becomes terminally ill (called the "qualifying event") with a life expectancy of less than 12 months and the Covered Person has met all of the conditions set forth below, We will pay the Covered Person the amount of insurance shown in the Schedule of Benefits.

The Covered Person may elect to receive an Accelerated Death Benefit amount that is stated on the Schedule of Benefits. However, an Accelerated Death Benefit payment against the Covered Person's Life Insurance Benefit can only be made once in the Covered Person's lifetime.

The Life Insurance Benefit amount will be reduced by the amount paid under this provision.

The Covered Person must submit written medical evidence signed by the treating Physician and acceptable to Us that he is:

1. under a Physician's care for that condition, and
2. has a life expectancy of less than 12 months.

The Accelerated Death Benefit amount will be paid to the Covered Person after the Covered Person meets all of the conditions listed above.

We reserve the right to ask for a medical exam in connection with a claim.

The Covered Person must continue to pay any applicable premium for the amount of Life Insurance Benefits remaining after the reduction.

Upon the Covered Person's death, the amount of Life Insurance Benefits paid to the Covered Person's beneficiary will be reduced by the amount already paid under this provision.

Limitations: Accelerated Death Benefits will not be payable if:
