

COVID-19 Testing

The Los Angeles Police Relief Association Inc. (LAPRA) thanks all LAPD officers for putting their lives on the line to help those in need! LAPRA is always here to support you with your medical, dental, and life insurance needs.

Exposed to COVID-19?

Go to <https://corona-virus.la/covid-19-testing> to schedule an appointment for a test. The test is provided by and paid for by the City of Los Angeles. Also, please complete a COVID-19 15.07 report and email it to mlsnotifications@lapd.online.

If you receive a COVID-19 test from a testing center other than a testing center provided by the City of Los Angeles, you must provide the testing center with your medical insurance information. If you do not provide the testing center with your medical insurance information, you may be billed for the test directly. In this case, you will need to contact the testing center and ask them to bill your LAPRA medical insurance plan.

Find a Testing Center

City of Los Angeles <https://corona-virus.la/covid-19-testing>

County of Los Angeles - <https://covid19.lacounty.gov/testing>

Kaiser Permanente Members – If you do not go to a testing center recommended by the MLS, you must go to an approved Kaiser testing center such as a Kaiser facility, CVS, Walgreens, or Walmart. If you do not go to a Kaiser approved testing center, you will be required to pay the full cost of the test and then file for reimbursement through Kaiser. Go to https://healthy.kaiserpermanente.org/southern-california/health-wellness/coronavirus-information/get-care?wt.tsrc=email_COVID for more information.

Positive Test Results If your test is positive, you may complete an Injury on Duty claim with your division's IOD Coordinator to initiate a Workers' Compensation claim.

Negative Test Results If your test is negative, there is no need to file any Workers' Compensation paperwork.

Need Help?

If you need assistance with your medical, dental and life insurance needs, please send an email to benefits@lapra.org or call (213) 674.3701.
